CLASS POEM

We, the Seniors, of Ledford High,
This being our last year must say good-bye.
We have had much happiness and fun,
But truly our life has now begun.

In the past it has always been others--
Often our cousins, our sisters, or our brothers.
We have waited longingly for this year
Not realizing that it was so very near.

Taking with us all we have learned,
We hope to see a new page turned.
We hate leaving friends we have known so long;
But life has not ended--we must go on.

ERNIE,

I must say that I have never known a boy exactly like you. It has certainly been an experience and one that I must say that has been a pleasure. Your rare ~~personality~~ ^{personality} and ability will get you far in whatever you do. Of course, if you keep eating ^{constantly}, you may not even be able to move!! You must never forget the good times we have had playing basketball and croquet. Also, the many times that you have been ordered out of your dear sister's room. I'm really looking forward to next year and the one after that and the next for when you start using that phone for the great purpose of calling GIRLS, that extension in Kay's bedroom is going to be lots of fun!

Don't be too upset that I didn't quite get two pages because I think a good $\frac{3}{4}$ of a page is enough!

Best of luck in all you do!

Always,
Nannabek
